

# Brakes for Breasts™

## October is FREE BRAKE Month!

### Imagine a vaccine that would create a *world free of breast cancer!*

During the month of October we are giving away **FREE** quality brake pads or shoes. All you pay for is the labor and any other necessary parts. 10% of these proceeds will go towards research for the Cleveland Clinic Breast Cancer Vaccine Fund.

Our group of auto repair shops from across the country have a set a goal to raise over \$100,000 in proceeds! This fundraiser will end October 31st.

Since 2011, Brakes for Breasts has raised \$492,320 and 100% of those proceeds went to research for the Cleveland Clinic Breast Cancer Vaccine Fund. \$125,867.37 was raised by 131 independent Auto Repair Shops across 35 states (most ever!) in 2016.

Presentation of check 2016 ~ \$125,867.37!!

Our goal this year is to cross the \$500,000 mark in total contributions. After 13 long years we are very close to bedside trials, hopefully by the end of 2017.

Brakes for Breasts is run solely by volunteers supported by the independent repair community across the Country. It is a true grass roots effort, with every penny being donated to research.

P.S. Please pass this along to all of your friends! We need everyone's support.

*~Thanks!!!*

### *Prevention is the Cure*

*"Our vaccine approach is all about prevention, and this is a new way of looking at breast cancer control."*
